2019 IAIME Mid-Year MedicoLegal Fundamentals Training Course

AUGUST 2-4, 2019
Philadelphia, Pennsylvania
Philadelphia Marriott West

GROWING SKILLS TOWARD A MEDICOLEGAL PRACTICE
Independent Medical Evaluations, Report Writing, Depositions, Billing, Marketing, with special sections for Mental Health Conditions

For the 2nd year, this year’s program will be offered in a modified reverse-classroom format! Didactic content will be provided to every registrant 2-4 weeks in advance of the Mid-Year Training Course. Onsite Program will be primarily focused on panel discussion, case review, and specific response to your questions, so pre-review of the didactic content will be critical to your learning experience.

Visit the IAIME website at www.iaime.org for additional information on Membership/Fellowship, additional courses, or other products and services offered.
THIS COURSE IS DESIGNED FOR physicians, chiropractors, and psychologists with an interest in building and improving medicolegal skills. We also welcome case managers, claims representatives, and allied health professionals including physical therapists, occupational health nurses, attorneys, insurance professionals, and risk management professionals, who can gain valuable insight into the medicolegal evaluation process.

### ACCREDITATION STATEMENT

The International Academy of Independent Medical Evaluators (IAIME) designates this educational activity for a maximum of 38.50 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate to the extent of their participation in the activity.

The International Academy of Independent Medical Evaluators is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### OBJECTIVES

In completing this course, the attendee will:

- Learn the skills necessary for successful evidence-based medicolegal evaluation
- Learn and apply proven medicolegal practice management techniques
- Learn to properly apply impairment rating systems in the administrative environment
- Learn methods, procedures and skills for proper evaluation of impairment
- Learn and apply proper use of the AMA Guides to the Evaluation of Permanent Impairment (4th, 5th or 6th Edition)
- Learn how to successfully report and communicate medicolegal concepts to non-medical and medical stakeholders
- Be able to change practice pattern to improve outcomes
- Gain partial educational credit toward IAIME Fellowship
